

REQUEST FOR PER LINE BLOCKING

I am a customer of Hill Country Telephone Cooperative, Inc. I understand that I already have per-call blocking. However, I certify that I have a compelling need for per-line blocking and I request that per-line blocking be installed on my line at no charge.

- 1) I understand I can remove per-line blocking and go back to per-call blocking at no charge by calling Hill Country Telephone Cooperative, Inc.'s Business Office.
- 2) I understand that my calls to customers who have activated Anonymous Call Rejection will not be completed as dialed unless I call from a different number, pay phone or cellular phone, or make a credit card or operator-assisted call, or dial *82 or 1182 on my phone before dialing the telephone number.

I acknowledge that I have read and understand the "Caller ID in Your Area" brochure. **I represent that I am authorized to request establishment of per-line blocking on the line number identified below.**
